**AT Products LLC**

**2.14 Release**
4/12/23 @ 7:00 PM (14:00) CDT

**Released on:** April 12th, 2023.
ATP Database: 2.14

**Added**
Added our Content Security Policy. #91
Added more support towards PWA. The web app can be installed via Chrome on Android and computers! #91

# 2.17.1 - The Astro Update

**A couple of things for this update!** We have finally brought in Astro to simplify our work and to help bring updates faster! Not only Astro, but a new contact form accessible by the person icon in all footers and index page!

Thanks to Zoezo for helping bring this month-long project into life! This is the last documented update for the 2023 year. **Merry Christmas!**

AT Products LLC
